Seniors Proudly Celebrate Canada's Birthday

All Seniors Care Residents to Adorn Buildings in Red and White for Canada Day

CANADA – As Canada's birthday approaches, seniors at All Seniors Care residences across the country are gearing up to celebrate in style. This year, the festivities will kick off on **Thursday, June 27th**, with "Hang Your Flag Day," where residents will hang Canadian flags from their balconies.

The Canada Day festivities will peak on **Monday, July 1st** with a series of engaging activities designed to bring joy and foster camaraderie among residents. The day will start with a "We Love Canada Scavenger Hunt," where participants will search for items that celebrate Canadian culture and heritage. This will be followed by a spirited game of "Canada Day True or False," testing residents' knowledge of Canadian history, culture, and fun facts. As the day turns to evening, local Canada Day fireworks will be broadcast in residence theatres for all to enjoy. For those interested, there may also be an opportunity to visit the fireworks in person.

"Our Canada Day celebrations are a wonderful opportunity for people to come together and express their national pride," said Lily Goodman, COO of All Seniors Care. "By engaging in these activities, we not only honour our country's rich heritage but also strengthen the sense of community that makes our residences so special."

At All Seniors Care, we believe that active participation in events like these is crucial for maintaining a healthy, fulfilling lifestyle. Whether our residents are hanging flags, participating in activities, or simply enjoying the celebrations, being involved fosters a sense of belonging and well-being.

The red maple leaf will be prominently featured as residents join together in these collective and inspiring testaments to our national pride. To capture this occasion, photos and videos of the flag-adorned buildings will be shared on Facebook.
